Penned by legendary comic book artist Joe Madureira, Darksiders is set in a Post-Apocalyptic, demon-ravaged world where evil forces have prematurely brought about the end of the time. Darksider players take on the role of War - the first of the Four Horsemen - as he embarks on a brutal quest of vengeance against the forces that betrayed him with the help of his phantom steed Ruin.

We have matched as closely as possible every detail, right down to the faces sculpted into the blade, and the fine, battle-worn nicks and dents. Each steel-reinforced, cold-cast replica features a hand-polished alloy blade surface, with hand-painted and weathered surface details, just like a high-quality film prop. The grip is wrapped in highgrade, genuine leather. Included is a custom wall display. Each replica has been individually serialized and marked with the THQ copyright and trademark identification, to ensure its authenticity.
