Gil Hibben has a history of designing knives for Sylvester Stallone to feature in his films, going back to the Rambo III Bowie. Stallone has been an avid collector of Gil's custom knives and that relationship continued when Stallone commissioned Gil to make several knives to use in his new film, The Expendables. One of those was a never-before-produced, custom-designed Old West Toothpick. It offers a classic Arkansas toothpick style 11 7/8" AUS-6 stainless steel blade with mirror-polished finish and a solid brass back. Grasp this hefty knife by the classic hardwood handle and you can't help but feel the power of its construction. Includes a classic leather belt sheath with stamped Hibben logo. 17 1/2" overall.
