You too can now wield the power of the Blade of Chaos. This authentically detailed sword is an exact replica of the pair wielded by Kratos in Sony Studios' hit video game series "The God of War." United Cutlery, the industry leader in movie and game collectible replicas, has meticulously re-created the sword. The blade is cast from zinc aluminum material with custom etched mold textures and features fantasy grindings that mirror the piece carried by Kratos. The replica was created using the finest grade materials and craftsmanship available. Also included is a custom tabletop display stand with God of War insignia and fantasy silkscreen along with a certificate of authenticity. As with all United Cutlery collectibles, close attention to quality is a top priority. The design of The Blade of Chaos was overseen by master replica supervisor, Kit Rae. Each replica is laser-serial-numbered and marked with the appropriate copyrights to ensure authenticity.
