This authentically detailed replica is a reproduction of the actual filming prop. The Morgul-blade is 25 1/8" (63.3cm) overall, featuring a stainless AUS-6 steel blade, solid metal hilt parts, and a leather wrapped grip, all authentically "aged" and "battle worn" with a distressed, acid-etched finish to duplicate the original movie prop as closely as possible. It is presented with a wood wall display (mounting hardware and instructions included) featuring a graphic motif of the Witch-king crown, and includes a certificate of authenticity.
